### Get Your Author's Website Online in Just One Day

Take your website from zero to ready for prime time in Oregon Writers Colony's "Build Your Website in One Day" workshop. In this workshop, website builder and OWC webmaster Jan Bear will lead you through the steps to get your WordPress website online and ready to start attracting your ideal audience.

This workshop includes assignments to prepare for the workshop and requires a computer with a working WiFi connection and a basic understanding of how to maneuver on the web. See <http://bit.ly/owc-authors-website-workshop> for more information.

**Workshop fee:** \$200 or \$240 for nonmembers (includes one-year annual membership in OWC). Because this is an intensive, hands-on workshop, it is limited to 10 participants.
